**LETTER OF RECOMMENDATION IN SUPPORT OF  
Goran Paunovic, Art Version**

It is with great pleasure that I am writing this letter of recommendation in support of Goran Paunovic and Art Version.

Child Abuse Prevention Services has been working with Goran for almost two years - first in the design and execution of our website, [www.capsli.org](http://www.capsli.org), and then providing support. It has truly been a pleasure working with him throughout the process. Our website was developed on schedule and the follow up support has been invaluable to us. Every step of the way, Goran has always made himself readily available for updates to the site and staff support.

We continuously receive compliments about on our website, how much information is available, how easy the site is to navigate and how we have managed to reach each of our target audiences.

I am happy to recommend Goran and his team without reservation. Should you require any additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Alane Fagin". The signature is written in a cursive, flowing style.
